

How it may be possible for the denizens of large towns like Leeds to breathe and enjoy an atmosphere less smoke-polluted than that which has to be borne at present is a problem which has occupied the attention of the scientific authorities for many years. Man was not born to be a smoke swallower, but if he has been located in a big town he has to do a bit of it all the same—

charge until 1964, in the pound had been paid there was a suspicion of vindictiveness about the making of Judge a bankrupt at all, and Judge's decision was decidedly oppressive to the bankrupt, whose income is only 30s. a week. The Supreme Court thought the justice of the case could be met if the discharge was suspended one year, or until Sc. 4d. in the pound should have been paid in the interim. Whatever John

VIOLETTA POWDER FOR THE TOILET, NURSERY AND BABY, ETC.—The Lady's Pictorial, 1895: "Violetta Powder is a very soothing preparation, both in case of skin diseases and for toilet purposes, supplanting the use of harsh soaps, which are apt to cause some spots on the face by blocking up the pores of the skin."
 "See British Medical Journal," says: "'Violetta' Powder is an invaluable rose distilling powder, of remarkable fragrance and most selected for the nursery, toilet, 'womans' dressing and scented foot.'"

any longer. Colonel Wilson then disbanded the three privates from the corps.—The War Office has given permission for the Leeds (5th) Division Volunteer Medical Staff Corps to send a detachment to Netley Hospital for training from the 1st to the 5th of August. The party is to consist of one company officer, one quartermaster, five sergeants, two buglers, and thirty-one rank and file, forty in all.

[illegible]

... resigned in 1872, re-entered as a postmaster in 1878 till 1885, when he became a passenger guard till 1889, when he went into business as a provision merchant. He was of opinion that the hours of labour of railway servants should be shortened, and known goods guards on duty frequently twelve, fourteen, and sixteen hours a day. In his own opinion there should be no general rule for the hours of work on railways, but that any rule must
